

Provisioning Directly from a Course

To provision directly from a course, first login as an instructor for the course you'd like to provision.

Navigate to the desired course.

On the course page, click the **Tools** link in the course menu.

Under Tools, click the **Panopto Focus Content** link.

Click **Configure**.

Panopto Focus Content

Panopto Focus Content

Configure

This course is not provisioned with Panopto. Before a course can be used with Panopto it must be provisioned. Please press the configure button to provision.

To provision the course, click **Add Course to Panopto**.

Panopto Focus Content > Configure Panopto Focus Course

Configure Panopto Focus Course

1 Select Panopto Server

panopto.truman.edu

2 Provision Panopto Course

Add Course to Panopto

Creates a Panopto folder for the course and sets up access so that instructors are able to create content in the folder and students are able to view it. Once the course has been added to Panopto you may associate additional Panopto folders to the course.

You will see a message telling you that the course has been successfully provisioned. Click **OK** to finish.

Provisioning Results:

Course Name	Blackboard Course 101
Instructors	Blackboard\administrator (Blackboard Administrator <mmajoris@panopto.com>)
Students	Blackboard\student1, Blackboard\student2, Blackboard\student3
Result	Successfully provisioned course Blackboard Course 101

OK

You will then be directed to select Panopto folders for your course. Notice that the course you just provisioned is already selected, however, you may add recordings from previous classes to the list if you so desire. Highlight any existing courses you wish to access and then click the **Add** button, then **Submit**.

Panopto Focus Content > Configure Panopto Focus Course

Configure Panopto Focus Course

1 Select Panopto Folders

You may update the list of Panopto folders associated with this course. Instructors of this course will be able to create content in any folder associated with it and students will be able to view the content.
